

He Understands.
When beneath some weary cross you faint,
And say, "I cannot bear this heavy load alone,"
You say the truth. Christ made it purposely
So heavy that you must return to him.
The bitter grief which no one understands
Conveys a secret message from the King.
Entrusting you to come to him again.
The Man of Sorrows understands it well;
In all points tempted, he can feel with you
You cannot come too often to his feet.
The Son of God is infinite in grace;
His presence satisfies the longing soul;
And those who walk with him from day to day
Can never have a solitary hour.

Watching the Clock.
As the Christian Union says, there is a deal of common sense in this story lately told of Edison, whether he said it or not. A gentleman went to the great electrician with his young son, who was about to begin work as office boy in a well known business house. The father asked Edison for a motto which the boy might take to heart in his struggle for promotion and success. After a moment's pause, Edison said, laconically, "Never look at the clock." Edison, meant, we take it, that the man who is constantly afraid he is going to work overtime or overhours doesn't stand a chance of competing with the man who clears up his desk, no matter how long it takes. The carpenter who drops his hammer, uplifted above his head, when the whistle blows, is likely to remain a second class workman all his life. The carpenter who stays fifteen minutes to finish a "job" is working toward a shop of his own.

Terra Cotta Wells
— AT —
Reduced PRICES.
I AM USING A 12 inch and 18 inch AUGER of superior make. Doesn't let dry dirt or quicksand run out like some old time inferior Augers, thus insuring a good head of water in quicksand and in much less time.
My plan of putting in pipe is the only one that keeps quicksand from filling up the well, but if one-third, or even one of my wells should even be a failure my guarantee would amount to something, for I would go and remedy same, or return the money.
The 12 inch Auger has given splendid satisfaction, especially for stock, tenant houses and small families at much less cost.

HARRIS' LITHIA WATER,
Harris' Lithia Springs, S. C.
After a long and varied experience in the use of Mineral Waters from many sources, both foreign and domestic, I am fully persuaded that HARRIS' LITHIA WATER possesses efficacy in the treatment of affections of the Kidney and Bladder unequalled by any other water of which I have made trial.
This opinion is based upon observation of its effects on my patients for the past three years, during which time I have prescribed it freely and almost uniformly with benefit in the medicable maladies above mentioned.
When failure to relieve has occurred, I have imputed it to insufficient use of the Water, for my experience teaches me, that from one to two quarts daily should be taken from two to four weeks, to secure its full remedial effects.
A. N. TALLY, M. D., Columbia, S. C.
J. T. Harris, Waterloo, S. C.:
Dear Sir—I find great benefit from the use of your Lithia Water. I consider it a fine tonic, and general regulator of the digestion, as well as very efficacious in those diseases for which Lithia is considered somewhat of a specific.
JUDGE J. B. KERSHAW, Camden, S. C.
My wife has been using your Lithia Water and is very much benefited. I consider it in every respect equal to the famous Buffalo Lithia Water.
